MEETING'S PLAN

- Holding the Sprint Review according to the established planification.
- Discussion and coordination of the activities plan for the next sprint, as well as scheduling meetings for upcoming sprints.

AGREEMENTS

- Maintaining the reviewing process for the application's existing windows with the backend, in order for the application to perform HTTP requests according to the user's actions.
- Wait for Ing. Castro to resolve his actual inconvenients in order to receive the credentials necessary to deploy the backend API in the DigitalOcean's Droplet.

- Redesigning the main posts feed in the application, as well as investigating the algorithms performed in this type of screens to sort the posts, with the purpose to improve the user interface and user experience, integrating new functionalities.
- Perform design adjustments to the existing windows in order to find potential user experience improvements.
- Realizar ajustes respecto al diseño de ventanas existentes en busca de potenciales mejoras para aumentar la experiencia del usuario.
- Establishing Saturdays 10am or 11am for holding future Sprint Review meetings.

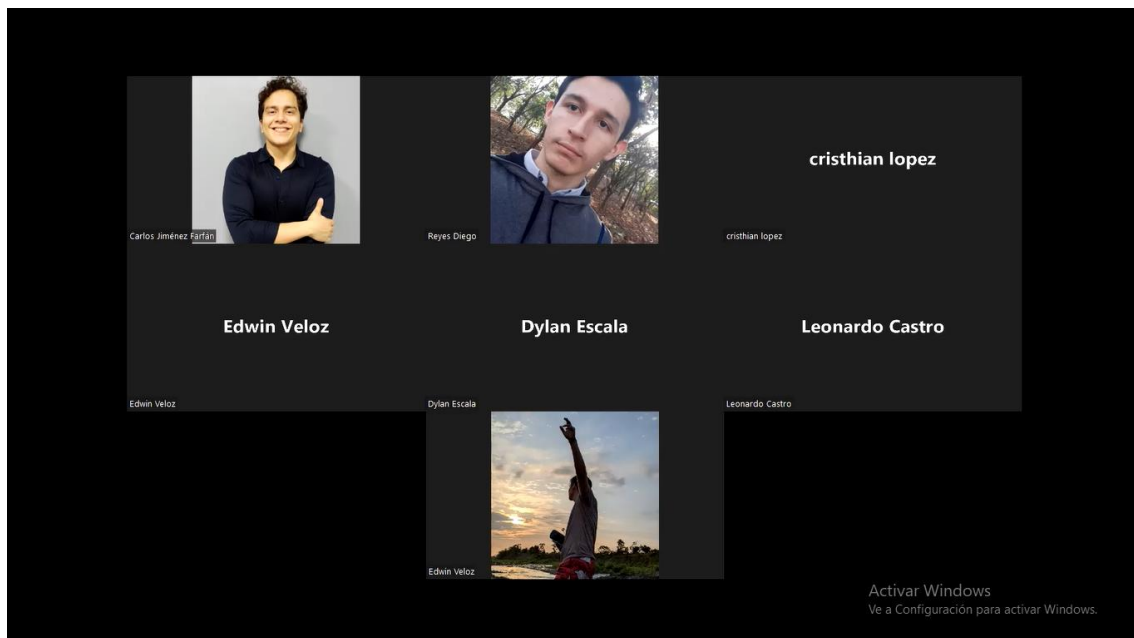

Ing. Leonardo Castro Alban
Product Owner

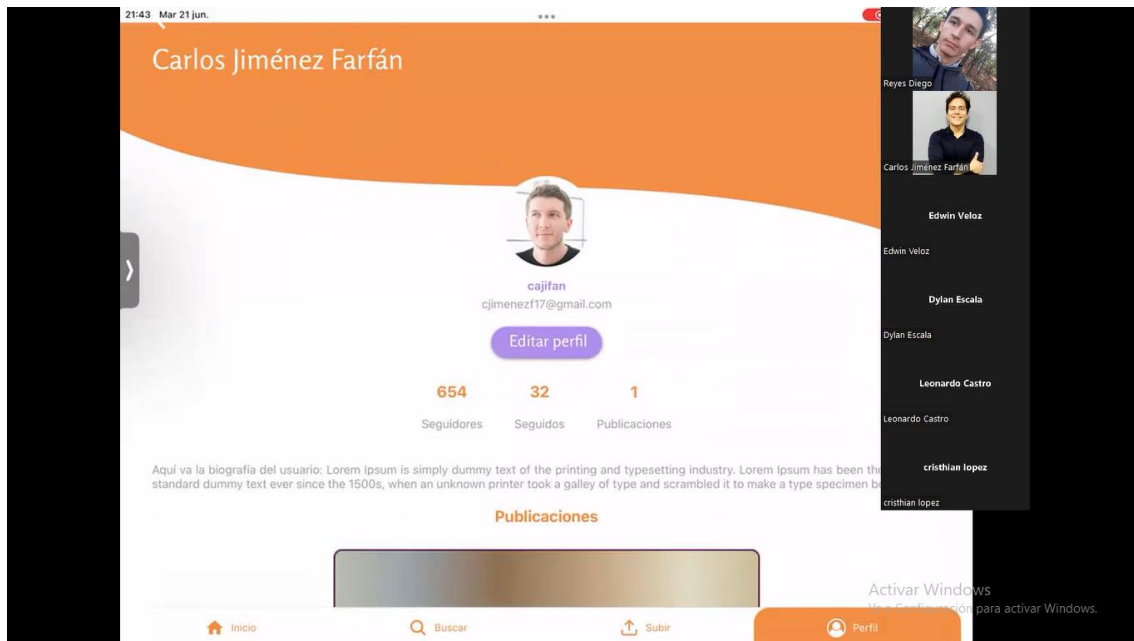

Carlos Jimenez
Scrum Master
